

### **Computer Space 2011**

### **Awarded Projects**

The official awarding ceremony of Computer Space 2011 international festival took place on 27.10.2011 (Thursday). The awards were bestowed to the winners by representatives of Ministry of Defense, Ministry of Culture, media partners BNT and .net magazine, director of Hungarian cultural institute and others. The category computer animation was extremely attractive where some of the movies nominated will be also screened and presented during seminars and screenings in Czech centre and Hungarian cultural institute on 28.10 and 29.10. There will also be seminars, workshops, exhibitions, demonstrations and installations on other topics again in Czech centre and Hungarian cultural institute on the two sides of city garden "Crystal". We are expecting you!
